Presidents' Message

Hello Cruisers

We have had some clear days that have allowed some of us to get the cars ready for the show season. I intend to start the season with Silverado Resort & Spa Car Show, that's right around the corner. Also I hope to attend Kool April Nites in Redding this year. That means getting the Impala ready for the rain. Hope this finds everyone in good health and ready to start your show season. Also baseball season is about to begin that means good weather right !

The feedback from members was that they wanted to move the April breakfast to the second Sunday. I have contacted the Red Hen and they are ok with the change. Remember the First of April is Easter and April fool's day. Hope to see you at the breakfast. To everyone and your families have a happy Easter and stay safe.

Keep the rubber side down and drive safe

Two Holy Men Collide

An Irish priest and a Rabbi get into a car accident. They both get out of their cars and stumble over to the side of the road. The Rabbi looks at the smashed cars and says, "Oy vey! What a wreck, what a wreck!"

The priest asks him, "Are you all right, Rabbi?"

The Rabbi responds, "Just a little shaken."

The priest pulls a flask of whiskey from his coat and says, "Here, drink some of this. It will calm your nerves." The Rabbi takes a swig and shakes his head ruefully, still looking at the cars. They are severely damaged. "Oh, but this will be sooo expensive!" he says.

"Yeah, well, it's just money, rabbi. Have another swig; in fact you can drink the whole bottle if you like."

The rabbi nods and drinks most of the bottle, never taking his eyes off the broken cars. Then he turns to the priest and says, "What are we going to tell the police?"

"Well," the priest says, "I don't know what you're going to be telling them. But I'll be telling them I wasn't the one drinking."

Barbie Joke

One day a guy was driving home when he suddenly realized that it was his daughter's birthday and - or dear! - he hadn't bought anything for her. So, he pulls into the parking lot of the next shopping mall he passes, finds a toy store and asks for "A Barbie Doll for my daughter."

The shop assistant looks at him in a slightly condescending manner and asks, "All right Sir, which Barbie would that be?"

The man looks surprised so the assistant continues, "We have Barbie Goes To the Ball at \$19.99, Barbie goes Shopping at \$19.99, Barbie goes Clubbing at \$19.99, Barbie Goes To The Gym at \$19.99, Cyber Barbie at \$19.99 and Divorced Barbie at \$249.99."

The man can't help himself and asks, "Why is Divorced Barbie \$249.99 when all those other Barbies are selling for \$19.99?"

"Well Sir, that's quite obvious!" says the assistant, "Divorced Barbie comes with Ken's house, Ken's furniture, Ken's car ..."

Just Being Honest ...

A man seeing flashing red and blue lights in his rear view mirror pulls to the side of the road. Shortly after coming to a stop, a police officer approaches the car.

The man says, "What's the problem officer?"

Officer: "You were going 75 miles an hour in a 55 mile an hour zone. I'm afraid I'm going to have to ticket you."

Man: "No sir, I was going a little over 60."

Wife: "Oh, Harry. You were going at least 80!" (The man gives wife dirty look.)

Officer: "I'm also going to give you a ticket for your broken tail light."

Man: "Broken tail light? I didn't know about a broken tail light!"

Wife: "Oh Harry, you've known about that tail light for weeks!" (The man gives his wife another a dirty look.)

Officer: "I'm also going to give you a citation for not wearing your seat belt."

Man: "Oh, I just took it off when you were walking up to the car."

Wife: "Oh, Harry, you never wear your seat belt!"

The Man turns to his wife and yells, "For cryin' out loud, can't you just shut up?!"

The officer turns to the woman and asks, "Ma'am, does your husband talk to you this way all the time?"

And so the wife says, "No officer, only when he's drunk."

Car of the Month

MY 1954 CHEVY STEP SIDE PICKUP

I was looking at a 1955 GMC short bed pickup on Silverado Trail.

My PGE friend heard what I was looking at and said NO WAY.

There is a nice 1954 Chevy Step Side pickup in Sonoma. The man said he has had the pickup longer then he had his wife, what ever that meant !!!

I decided I would take the pickup. We headed for Sonoma and drove the old girl home. The darn thing only went fifty miles an hour, I knew that had to change.

Took the truck all apart and made what it is today. I put a Mustang II front end, 350 Chevy small block and a Turbo transmission and after market wheels.

I painted the body a cream vanilla and the fenders and the grill burnt orange to match the interior.

You bet the old girl goes much faster then fifty miles and hour now and has been a dependable daily driver the past twenty one years.
